PRB folks:

A paperback version of George Tenet's memoir will be published later this year. Other than fixing a few typos, misspellings, and wrong dates, etc...the text will remain as previously approved.

HarperCollins has asked him to add a "Post Script" that will be appended at the back of the book. The text of that section is attached to this email.

[Redacted]

(b)(5)

We would appreciate your prompt clearance of the attachment.

Bill Harlow
